If you do not agree with these Terms, you must immediately discontinue use of the Website.

The Company reserves the right to amend, modify, update, or replace these Terms at any time without prior notice. Continued use of the Website following any such amendment shall constitute acceptance of the revised Terms.

2. COMPANY INFORMATION

Dominion Markets Ltd. is a company incorporated in the Republic of Mauritius and licensed and regulated by the Financial Services Commission of Mauritius as an Investment Dealer (Full Service Dealer, Excluding Underwriting), under Licence No. GB24203525.

Nothing contained on this Website shall be interpreted as creating a client relationship unless and until an account has been formally approved by the Company and all onboarding requirements have been satisfied.

Accessing the Website, submitting an application, registering an account, communicating with the Company, or initiating the onboarding process does not create a client relationship. A client relationship shall only arise once the Company has completed all onboarding, verification, compliance, and approval procedures and has formally accepted the applicant as a client.

By accessing or using the Website, you represent and warrant that you meet these eligibility requirements, that you are not subject to any sanctions, restrictions, prohibitions, or other measures imposed by any applicable governmental, regulatory, or international authority, and that your access to and use of the Website is lawful in your jurisdiction.

The Company reserves the right, at its sole discretion, to restrict, suspend, prohibit, or terminate access to the Website, products, or services from any jurisdiction, individual, or entity where such

access may be unlawful, restricted, or otherwise considered inappropriate from a legal, regulatory, compliance, commercial, or risk-management perspective.

5. REGULATORY RESTRICTIONS

The availability of products and services may be subject to regulatory, legal, licensing, compliance, risk management, operational, or commercial restrictions.

The Company reserves the right to refuse, restrict, suspend, terminate, or otherwise limit access to any product, service, account, jurisdiction, individual, or entity at its sole discretion and without obligation to provide reasons, subject to applicable laws and regulations.

Nothing contained on this Website shall constitute or be construed as investment advice, financial advice, tax advice, legal advice, accounting advice, portfolio management services, investment recommendations, or any offer, invitation, solicitation, endorsement, or recommendation to buy, sell, subscribe for, hold, or otherwise deal in any financial instrument, product, or service.

8. HIGH-RISK INVESTMENT WARNING

Trading in financial instruments, including but not limited to Contracts for Difference (CFDs), foreign exchange (Forex), commodities, indices, precious metals, share CFDs, futures CFDs, and other CFD or leveraged instruments made available by the Company, involves a high level of risk and may not be suitable for all investors.

Such products are often leveraged, meaning that a relatively small market movement may have a proportionately larger impact on your investment, which may result in substantial losses.

You should not trade with funds that you cannot afford to lose. The value of investments may fluctuate significantly, and you may lose part or all of your invested capital.

Past performance is not a reliable indicator of future performance, and no representation or guarantee is made regarding future returns, profitability, performance, or preservation of capital.

Before deciding to trade or invest in any financial product or service offered by the Company, you should carefully consider your investment objectives, financial situation, level of experience, and risk appetite. You should ensure that you fully understand the risks involved and, where necessary, seek independent financial, legal, tax, or other professional advice.

By accessing this Website and/or using the Company's products and services, you acknowledge and accept the risks associated with trading leveraged financial instruments.

Users are strongly encouraged to review the Company's Risk Disclosure and Warning Notice and all other relevant legal documentation before opening an account or engaging in any trading activity.

All content is subject to change and may be modified, updated, corrected, removed, suspended, or discontinued at any time without prior notice.

The Company does not warrant or guarantee that the Website, client portal, trading platform, servers, communication systems, mobile applications, electronic services, or any related technology will be continuously available, uninterrupted, error-free, secure, free from viruses or other harmful components, or free from delays, failures, or technical malfunctions.

Access to the Website and related services may be affected by scheduled maintenance, system upgrades, technical issues, third-party service interruptions, cybersecurity incidents, communication failures, force majeure events, or other circumstances beyond the Company's reasonable control.
