

CARD FUNDING DISCLAIMER & POLICY

Dominion Markets Ltd.

1. Purpose

This Card Funding Disclaimer & Policy forms part of the Client Agreement and governs all deposits and withdrawals made using credit cards, debit cards, prepaid cards, or other card payment methods accepted by Dominion Markets Ltd. ("the Company").

By using a card to fund an account, the Client acknowledges and agrees to the terms set out in this Policy.

2. Risk Warning

Trading leveraged financial instruments, including Forex and CFDs, involves a high degree of risk and may not be suitable for all investors.

The value of investments may rise or fall, and clients may lose all or part of their invested capital. Clients should ensure they fully understand the risks involved before depositing funds and engaging in trading activities.

3. Card Funding Requirements

3.1 Own Card Requirement and Third-Party Card Funding

The Company generally accepts deposits only from payment cards registered in the name of the trading account holder. Third-party card

funding is not encouraged and shall not be accepted automatically.

Where a deposit is made or proposed using a payment card held by another person, including but not limited to a spouse, parent, family member, business associate, or any other third party, the Company shall review the transaction closely and may treat it as a higher-risk payment for AML/CFT, fraud prevention, chargeback, source of funds, and client protection purposes.

The Company may require satisfactory due diligence on the actual cardholder and the relationship between the Client and the cardholder. This may include, without limitation, proof of identity and address of the cardholder, evidence of card ownership, explanation of the relationship, source of funds information, supporting bank or card documentation, and a consent letter signed by both the Client and the cardholder confirming authorization for use of the card and the purpose of the payment.

Acceptance of any third-party card funding shall be subject to Compliance review and approval. The Company reserves the right, at its sole discretion, to reject, delay, reverse, refund, suspend, or hold any third-party deposit where documentation is incomplete, the relationship or source of funds cannot be

satisfactorily verified, the transaction appears unusual or suspicious, or any AML/CFT, sanctions, fraud, chargeback, regulatory, or reputational concern arises.

The Company may hold the deposit, restrict trading or withdrawals, or keep the account under review until all requested clarifications and documents have been provided and approved. The Client acknowledges that the Company is under no obligation to accept third-party card funding.

3.2 Verification Requirements

The Client and, where applicable, the actual cardholder may be required to provide:

- Proof of identity;
- Proof of address;
- Evidence of card ownership;
- Evidence of relationship between the Client and the cardholder;
- Source of funds information or supporting documentation;
- A consent letter signed by both the Client and the cardholder, where required; and
- Any additional information or documentation reasonably requested by the Company.

The Company may refuse, delay, reverse, hold, or restrict any transaction until satisfactory verification has been completed.

3.3 Availability of Funds

Deposited funds may not be immediately available for trading. The Company reserves the right to delay crediting funds until the payment has been successfully received, verification checks have been completed, and AML/CFT and fraud prevention controls have been satisfied.

4. Anti-Money Laundering and Fraud Prevention

The Company maintains strict AML/CFT and fraud prevention controls. The Company may refuse, suspend, reverse, or investigate any transaction where the source of funds cannot be satisfactorily verified, the transaction appears unusual or suspicious, the payment originates from a prohibited or sanctioned jurisdiction, the transaction may expose the Company to money laundering, terrorist financing, sanctions, fraud, or reputational risks, or the Client fails to provide requested supporting documentation.

Where required by applicable laws and regulations, the Company may report suspicious activity to relevant regulatory, law enforcement, or governmental authorities without prior notice to the Client.

5. Security of Card Information

Clients must never transmit full card details, CVV numbers, PIN numbers, passwords, or

other sensitive authentication information through unsecured communication channels.

Where card verification documents are requested, the Client should mask all card numbers except the first six and last four digits and conceal the CVV/security code.

The Company is not responsible for losses arising from the Client's failure to safeguard payment credentials.

6. Refunds and Withdrawals

6.1 Return of Funds

To the extent required by applicable laws, card scheme rules, payment processor requirements, or the Company's AML/CFT obligations, refunds and withdrawals may be returned to the same payment source used for funding before alternative withdrawal methods are permitted.

6.2 Withdrawal Verification

The Company reserves the right to request additional verification documents before processing any withdrawal request.

Failure to provide requested documentation may result in delays or refusal of withdrawal requests.

6.3 Third-Party Card Refunds and Reversals

Where a deposit was made using an approved third-party card, the Company may require any refund or reversal to be returned to the

original payment card or cardholder, subject to applicable laws, payment processor requirements, card scheme rules, AML/CFT obligations, and the Company's internal controls.

7. Chargebacks and Disputed Transactions

7.1 Prohibited Abuse

Clients shall not initiate unjustified chargebacks, payment reversals, disputes, or claims in relation to legitimate and authorized deposits.

7.2 Investigation Rights

Where a chargeback or payment dispute is initiated, the Company may suspend account activity, restrict withdrawals, place funds under review, investigate the underlying transaction, and request additional information or documentation from the Client.

7.3 Recovery of Losses

The Client will remain liable for any losses, fees, penalties, processing costs, legal expenses, or other charges incurred by the Company arising from fraudulent, abusive, or unjustified chargebacks.

The Company reserves the right to recover such amounts from the Client's trading account or through any other lawful means.

7.4 Provision of Evidence

The Client acknowledges that the Company may provide transaction records, account records, KYC documentation, communications, trading records, and other relevant evidence to banks, card schemes, payment processors, regulators, law enforcement agencies, or dispute resolution bodies in connection with any chargeback or payment dispute.

8. Payment Processor Delays

The Company shall not be liable for any delays, interruptions, reversals, failures, rejections, or processing issues caused by banks, card issuers, card schemes, payment service providers, telecommunications failures, technical issues, regulatory restrictions, or any circumstances beyond the Company's reasonable control.

9. Restricted Jurisdictions

The Company reserves the right to reject card transactions originating from jurisdictions that are subject to international sanctions, classified as prohibited jurisdictions by the Company, considered high-risk under the Company's AML/CFT framework, or restricted by payment service providers, card schemes, correspondent banks, or applicable laws and regulations.

10. Limitation of Liability

The Company shall not be liable for any loss, cost, expense, damage, delay, or liability arising directly or indirectly from card issuer decisions, payment processor actions, fraud prevention measures, verification requirements, regulatory obligations, or rejected or delayed transactions.

Nothing in this Policy excludes or limits any liability that cannot be excluded or limited under applicable law.

11. Client Acknowledgement

By funding an account using a credit card, debit card, prepaid card, or other accepted card payment method, the Client confirms that:

- The card belongs to the Client or, where third-party card funding has been approved by the Company, the card is used with the lawful authorization and consent of the actual cardholder;
- The funds originate from legitimate sources;
- All information and documentation provided is accurate, complete, and not misleading;
- The Client has read, understood, and agreed to this Card Funding Disclaimer & Policy;

- The Client understands that card transactions are subject to verification, fraud prevention, AML/CFT controls, and applicable payment processing requirements.
- The Company does not provide payment processing services. Card transactions are processed through authorized third-party payment service providers, and the Company does not store full card details.
- Where any third-party card funding is used or attempted, the Client confirms that the payment is authorized by the actual cardholder, that the relationship and source of funds have been fully disclosed to the Company, and that both the Client and cardholder agree to provide any KYC, consent, source of funds, or other supporting documentation requested by the Company.

12. Restricted Jurisdictions

Dominion Markets Ltd does not offer its services to residents of, persons located in, nationals or citizens of, or entities incorporated, registered, or operating in restricted or prohibited jurisdictions, including but not limited to Afghanistan, Côte d'Ivoire, Cuba, Iran, Libya, Myanmar, North Korea, Russia, Sudan, Syria, Yemen, the

United States of America, including Puerto Rico, and any other jurisdiction where the Company is not authorised or permitted to operate, or where the provision of services would breach applicable laws, sanctions requirements, regulatory requirements, payment processor rules, card scheme rules, or the Company's internal risk policy.
